## Press Release

### **G.B. ENTERPRISES APPOINTS NEW PRESIDENT**

**Bellingham, Wash. March 12, 2008** – World-leading power systems manufacturer G.B. Enterprises (GBE) is pleased to announce the appointment of Charles Edwards as President.

“We are very pleased to welcome Charles to the GBE team,” said Grace Borsari, Chief Executive Officer of GBE. “Charles joined Alpha Industrial Power, a member of The Alpha Group, a year ago now and we are more than confident that his experience and leadership capabilities will translate into even bigger accomplishments with GBE.”

Edwards brings 25 years of experience and background in operations management, manufacturing, and profit/cost improvement to the company. Previously Director of Operations at Lambda Electronics and President and Chief Executive Officer at Delta Energy Systems, Edwards has demonstrated superior leadership ability and strategic management skills.

**G.B. Enterprises**, provides contract-manufacturing services for products used in broadband, telecom, industrial, and commercial markets around the world. GBE offers CNC fabrication, PCB assembly and product distribution, from multiple facilities situated around the United States. Product integration, assembly, and testing complete the range of GBE’s services. G.B. Enterprises is a member of The Alpha Group of companies.

**The Alpha Group** represents a global alliance of independent companies that share a common philosophy – create world-class powering solutions for communication, commercial, industrial and renewable energy markets.
