## Metered Enclosures

Outdoor Ground Mount Enclosures

UPE-M8

- Engineered for broadband powering applications
- CSA/UL certified to meet applicable industry standards
- Meets EUSERC utility requirements
- Internal or external SUSE rated service entrance options available
- Aluminum welded construction and durable powdercoat finish exterior
- Portable generator cabling access door

The UPE-M Series provide the cable operator a fully enclosed meter enclosure system meeting EUSERC requirements including high interrupt current protection. In addition to the power supply equipment tray and sliding battery drawers, the UPE-M Series enclosure system includes integral line lugs, meter base, internal wiring and internal breaker.

## Metered Enclosures
